## Unapproachable Light

50 movements

History: Junior Master Brad Butchka developed this form as part of his 5<sup>th</sup> Dan test under the proctorship of Shihan John Mayer, President of PROMAA. It represents Mr. Butchka's faith in Jesus Christ as the pattern resembles a cross, his respect of tradition (ex. First 16 moves) while embracing other complimentary combat styles (ex. Moves 27 – 42), and recognizing the rigors of training in order to complete this form accurately and still have enough endurance to continue on into other aspects of the test.
