

Welcome New Students & Family Members

Welcome to our school!!!

“A journey of a thousand miles begins with the first step” and you are now taking that crucial step towards improving yourself! Our school is a “tool” in your “toolbox” in life...we will endeavor to provide (1) a context whereby we reinforce the values that you are learning and/ or are teaching to your child and (2) a safe dynamic training facility to enjoy traditional & practical martial arts training.

Over the next few weeks, undoubtedly you will have many questions. We have attempted to answer some of the more popular questions below. Also, please feel free to ask me or my staff anything that’s on your mind. God bless you in your new journey and Pil Sung (victory)!
